

## Martin Findings

The information in this document was collected in the researching the family of Alva Judson Oliver Martin, cheese maker in Morewood, Ontario. Alva employed my grandfather, Robert Williams as well as two other of his siblings, John and Martha and her husband, William Cassells. Alva's son, Alva Jay Martin, went off to war in 1915 with grandfather's brother John and while in the UK they took leave at the Williams family home in Belfast. Alva Jay eventually married another of the Williams girls, Annie Houston.

At the start of this round of research in June 2008, we knew Alva's parents names but little else. Alva was born in Mountain Township, Dundas County, Ontario on the 25<sup>th</sup> of October, 1866 (date per 1901 census). Various census reports differ but it can be concluded that his father was born in Ontario about 1824, and his mother, Clarissa Lalonde, was born in the United States 17 Mar 1825 (per 1901 census). They were married about 1846, judging from the first child's birth date, which made Clarissa 21 years of age at the time of the marriage.

The children of Joseph and Clarissa are;

The family lived in the area West of Van Camp Mills. Alva J Martin is shown in the Mountain Township land records in July 1894 transferring a portion of Lot 13, Concession 4 to his mother. Alva Judson was said to have been born at Van Camp Mills but the origin of that information is not known.

Joseph Martin died in Dec 1888 and is buried at Knights Cemetery on Vancamp Rd. (Lot 17 Concession 4, Mountain Twp.) Clarissa died after 1901 while living with her daughter Vandance in Winchester village. She may be buried with her daughter (not yet located).
